MEMORANDUM FOR: Vice Chairman, National Intelligence Council

FROM:

Director of Central Intelligence

Prospects for Market-Oriented Development SUBJECT: NIE 3-3-84: Among LDCs 1. As I told you, I was disappointed in the Concept Paper and Terms of Reference for the Prospects for Market-Oriented Development among LDCs. I even think the title is wrong but that can always be changed. The outline would suggest some kind of a theoretical essay. 25X1 What countries are most strategically important to us? 25X1 25X1
